

BEHAVIORAL HEALTH RESOURCES FOR CHILDREN:

Getting services early improves how kids feel about themselves and how well they do in school

Are you sometimes concerned that your child is depressed, anxious, or has angry outbursts? These partners can answer your questions and connect you to the right services for your child.

If you are experiencing a crisis and need to talk with someone right away:

Jackson County Crisis Line, 541-774-8201

You can also search for other providers for your child by utilizing the provider search tool on the following websites or by calling Member Services:

1-888-460-0185 AllCare Health: <https://www.allcarehealth.com/medicaid/lookup-tools/find-a-doctor>

1-855-722-8208 Jackson Care Connect (JCC): <http://jacksoncareconnect.org/for-members/find-a-provider>

1-541-471-4208 PrimaryHealth: <https://primaryhealthfamily.com/provider-search/>

If you have commercial insurance through your work, call your primary care provider or the member number on the back of your insurance card.

Do you wonder if your children are on track with learning to talk, expressing emotions, playing with friends, or following directions? These programs offer FREE developmental evaluations and services to children birth to age five. No insurance required.

Jackson County: **Child Development Services**, 905 Stewart Ave, Medford, 541-494-7800

Josephine County: **Early Childhood Services**, 1021 NW Highland Ave, Grants Pass, 541-956-2059

Parents can also log on to www.asqoregon.com to take a FREE developmental screening for their children ages birth to six years. This tool can help parents identify where their child has areas of strength and areas needing more support. The website offers activities parents can do with their children to strengthen development. When a child does activities to support their development, they do better in school and in life.

Fact Oregon provides supports for families experiencing disability for all ages of children. Services include parent training, support and advocacy. support@factoregon.org 503-786-6082 or 1-888-988-3228

Call 211, visit the website 211info.org, download the app, or text your zip code to 898211 for comprehensive local resources not listed here.

Sponsored by Southern Oregon Early Learning Services Hub, in partnership with AllCare Health, Jackson Care Connect, and PrimaryHealth. October 2018

BEHAVIORAL HEALTH RESOURCES FOR ADULTS: To be the best parents we can be, we need to take care of ourselves.

If you find yourself struggling with feelings of depression, anxiety, or other similar issues, please reach out for support. Help is out there; you don't have to struggle alone.
